

Success Rates

Graduation, licensure and placement statistics:

The following are the completion and success rates for BCSBC students by program and are taken from the most recent available Accrediting Commission Annual Report.. The number of students is defined as the number of students scheduled to graduate during the report period.. The percentage of students passing the exam is based on the number of students actually taking the exam. Placement is based on the number of students that are eligible for employment.

Program	No. of Students	Completed	Passed the Exam	Placed	Withdrawn
Esthetics	3	3	3	3	-
