Program Overview

Hairdressing

Hairdressing is a comprehensive program designed to give students basic and advanced job related skills, coordination and training to be successful as a Hairdresser. Subjects Taught: Anatomy, Bacteriology, Blow Dry, Blow/Set, Braiding, Coloring, Facial, Salon Management, Manicuring, Perms, Products, Scalp Treatments, Shampooing, Shaping (cutting), Hair Styling, Theory and Thermal Wave. Heavily supervised clinic experiences gradually increase in frequency and longevity until students gain and confidence and agility. This program prepares graduates for entry level employment as a stylist, hairdresser, beautician and other hair related occupations. Graduates receive a diploma upon graduation. This program is designed to surpass the minimum licensing requirements. Graduates are eligible to take the Pennsylvania State Board of Cosmetology exams leading to licensure.
