Non-Hair Course Descriptions

Fundamentals of Non-Hair Services (FUND)

4 weeks full time days / 7 weeks part time eves

Maximum Time Frame = 120 hours

Minimum Graduation requirement = 100 hours

This course is a requisite for all other non-hair programs. The goal of this course is to provide students with the fundamental knowledge of the common topics of study in preparation for the job skills courses in the Manicuring, Esthetics, and/or the Electrolysis program. The Fundamentals course is a separate element to aid in the reduction of studying the same topics redundantly when any combination of two or more non-hair services. The background subject matter includes but is not limited to hygiene, poise, professional ethics, state law, sanitation and sterilization and bacteriology, anatomy and other topics relevant to non-hair programming.

Non-Hair Course Descriptions

Nail Technician (MANI)

4 weeks full time days / 8 weeks part time eves

Prerequisite: Fundamentals of Non-hair Services

Maximum Time Frame = 120 hours

Minimum Graduation requirement = 100 hours

The Nail Technician and Nail Art course is the job skill element of the Nails Program. This course has two primary objectives. The first is to provide students with the technical knowledge of the job skills relevant to becoming a Manicurist or Nail technician. The second objective is to insure each student has sufficient practice in a clinic environment to refine the job skills. This course covers all related aspects of being a profitable professional in the nail industry. A state license is available in Pennsylvania and this course will cover exam preparations.
