Non-Hair Course Descriptions

Skin Care and Cosmetics (SKIN)

4 weeks full time days / 8 weeks part time eves

Prerequisite: Fundamentals of Non-hair Services

Maximum Time Frame = 120 hours

Minimum Graduation requirement = 100 hours

The Skin Care and Cosmetics course is the job skill element of the Esthetics Program. This course has two primary goals. The first is to provide students with the technical knowledge of the job skills relevant to becoming an Esthetician and/or Make-up artist. The second primary goal is to insure each student has sufficient practice in a clinic environment to refine the job skills. The Esthetics program teaches students a scientific approach to corrective and protective skin care. This course may be taken with Fundamentals and Skin Clinic as a specialty course for a diploma (Graduation certificate) or used with Fundamentals & Skin Clinic as an elective to the Hairdressing Program. A license is available in Pennsylvania and this course will cover exam preparations. Esthetics prepares the student to enter the Skin Clinic to be a profitable professional esthetician.

Non-Hair Course Descriptions

Electrolysis (ELEC)

4 weeks full time days / 8 weeks part time eves

Prerequisite: Fundamentals of Non-hair Services

Maximum Time Frame = 120 hours

Minimum Graduation requirement = 100 hours

The Electrolysis course is the job skill element of the Electrolysis Program. This course has two primary objectives. The first is to provide students with the technical knowledge of the job skills relevant to becoming an Electrologist. The second objective is to insure each student has sufficient practice in a clinic environment to refine the job skills. Electrolysis, Thermolysis, the Blend and related subjects comprise the nature of this program. Practice in probe insertion and the sanitation and safety procedures plus the supporting theory needed to remove hair as a profitable professional.

Non-Hair Course Descriptions

Electrolysis Clinic (elc1, elc2 - clin)

8 weeks full time days / 15 weeks part time eves

Prerequisite: Fundamentals or Non-Hair Services & Electrolysis

Maximum Time Frame = 240 hours

Minimum Graduation requirement = 200 hours

Electrolysis Clinic is a dedicated clinic experience grading students clinical work on people by the use of generic lesson plans (procedure guides). Students are graded daily on their progress, attitudes and maintaining satisfactory progress to graduate. Students are graded upon completion of the following services: Analysis, Consultations, Electrology, Examinations, Exercises, Insertions, Probe Positioning, Problems, and other Procedures. This clinic may be taken in combination with other [non-hair clinics](#).
